

**GUACOLDA ENERGÍA SpA announces early results for its tender offer to purchase for cash up to U.S.\$80,000,000 Aggregate Maximum Purchase Price of its 4.560% senior notes due 2025**

**SANTIAGO, CHILE, March 27, 2023** – Guacolda Energía SpA (f/k/a Empresa Eléctrica Guacolda S.A., the “*Company*”) announces today the expiration of the early tender period, at 5:00 p.m., New York City time, on March 24, 2023 (the “*Original Early Tender Time*”), of its previously announced tender offer to purchase for cash (the “*Tender Offer*”) its 4.560% Senior Notes due 2025 (CUSIP Nos. 29244U AF5 / P3711H AF6; ISINs US29244UAF57 / USP3711HAF66) (the “*Notes*”). In addition, the Company announces that it has extended the Early Tender Time (except for the purpose of proration as described below) through March 31, 2023, so the deadline for Holders that tender their Notes to receive the “Total Consideration” of U.S.\$450.00, which includes an “Early Tender Premium” of U.S.\$50.00, per U.S.\$1,000 principal amount of Notes will now be at 5:00 p.m., New York City time, on March 31, 2023 (the “*Amended Early Tender Time*”). The terms and conditions of the Tender Offer are described in the offer to purchase, dated March 13, 2023 (as it may be amended or supplemented hereby and from time to time, the “*Offer to Purchase*”). Terms used in this announcement and not otherwise defined have the meanings assigned to them in the Offer to Purchase.

On March 13, 2023, the Company commenced the Tender Offer for an aggregate purchase price up to U.S.\$80,000,000, excluding Accrued Interest (as defined below) and any additional amounts as set forth in the Offer to Purchase (such purchase price, subject to increase by the Company, the “*Aggregate Maximum Purchase Price*”).

According to information received from D.F. King & Co., Inc. (“*D.F. King*”), the Tender and Information Agent for the Tender Offer, as of 5:00 p.m., New York City time, on March 24, 2023, the Company had received valid tenders of Notes representing an aggregate principal amount equal to U.S.\$129,282,000. Since the Total Consideration payable to Holders who validly Notes prior to the Original Early Tender Time will not exceed the Aggregate Maximum Purchase Price, the Notes validly tendered by such Holders will not be subject to proration pursuant to the terms of the Offer To Purchase, in the event such Note are accepted for purchase upon satisfaction or waiver of the conditions to the Tender Offer. If proration of the Notes validly tendered after the Original Early Tender Time is required, the Company will determine the final proration factor as soon as practicable after the Expiration Date; provided that Notes tendered before the Amended Early Tender Time will be accepted for purchase in priority to other Notes tendered after the Amended Early Tender Time.

Subject to the satisfaction or waiver of the conditions to the Tender Offer, all Notes tendered on or before the Original Early Tender Time are expected to be accepted for purchase in priority to other Notes tendered after the Original Early Tender Time.

Except as described above, the terms of the Tender Offer remain unchanged, including, without limitation, the Withdrawal Deadline and the Expiration Date, each as defined in the Offer to Purchase. Holders who have previously validly tendered (and not withdrawn) their Notes will not need to re-tender their Notes to be eligible to receive the Total Consideration. In addition, Holders will receive accrued and unpaid interest, if any, on such Notes from the last interest payment date with respect to those Notes to, but not including, the final settlement date (“*Accrued Interest*”), and any additional amounts as set forth in the Offer to Purchase.

In accordance with the terms of the Tender Offer, the Withdrawal Deadline expired at 5:00 p.m., New York City time, on March 24, 2023. As a result, except as may be required by applicable law, Notes already tendered in the Tender Offer and Notes that may be tendered on or prior to the Expiration Date cannot be withdrawn. The Expiration Date of the Tender Offer remains 5:00 p.m., New York City time, on April 11, 2023, unless extended or earlier terminated by the Company in its sole discretion, subject to applicable law. No tenders will be valid if submitted after the Expiration Date. Subject to applicable law, the Company may further amend, modify or terminate the Tender Offer at any time.

Subject to the Aggregate Maximum Purchase Price and proration, the Company intends to purchase any remaining Notes that have been validly tendered, accepted for purchase in the Tender Offer and not validly withdrawn promptly

following the Expiration Date, subject to all conditions to the Tender Offer having been either satisfied or waived by the Company. The final settlement date is expected to occur on the second business day following the Expiration Date.

Acceptance of tenders of the Notes may be subject to proration if the aggregate purchase price of Notes validly tendered would cause the Aggregate Maximum Purchase Price to be exceeded. If proration of the tendered Notes is required, the Company will determine the final proration factor as soon as practicable after the Expiration Date, as applicable. Any Notes that are tendered and accepted in the Tender Offer will be retired and canceled.

**Notwithstanding any other provision of the Tender Offer, the Company's obligation to accept for purchase, and to pay for, any Notes validly tendered pursuant to the Tender Offer, is conditioned upon satisfaction of the General Conditions (as defined in the Offer to Purchase) and the satisfaction of the Secured Financing Condition (as defined in the Offer to Purchase). The General Conditions to the Tender Offer and the Secured Financing Condition are for the sole benefit of the Company and may be asserted by the Company, regardless of the circumstances giving rise to any such condition (including any action or inaction by the Company). The Company reserves the right, in its sole discretion, to waive any and all conditions of the Tender Offer, at or prior to the Expiration Date. The Tender Offer is not subject to a minimum aggregate principal amount of Notes being tendered.**

The Company reserves the right, subject to applicable law, to (a) extend the Expiration Date to a later date and time as announced by the Company; (b) increase the Aggregate Maximum Purchase Price; (c) waive or modify in whole or in part any and all conditions to the Tender Offer; (d) delay the acceptance for purchase of any Notes or delay the purchase of any Notes; or (e) otherwise modify or terminate the Tender Offer. In the event that the Tender Offer is terminated or otherwise not completed, the Total Consideration or Tender Offer Consideration, as the case may be, relating to the Notes, will not be paid or become payable to Holders of such Notes, without regard to whether such Holders have validly tendered their Notes (in which case, such tendered Notes will be promptly returned to Holders). The Company will publicly announce any extension, amendment or termination in the manner described in the Offer to Purchase. There can be no assurance that the Company will exercise its right to extend, terminate or amend the Tender Offer.

In the event that the Company modifies the Tender Offer Consideration, the Early Tender Premium, or the Total Consideration, and there are fewer than 10 business days remaining from and including the date of the announcement of such modification to the Expiration Date, the Company will extend the Expiration Date so that at least 10 business days remain until the Expiration Date with respect to the Tender Offer.
